## experience

### The Boston Consulting Group

Motion Graphics and Post-Production Editor

*July 2017 - July 2018*

Worked directly with consulting staff in-house to translate their content into motion. The type of projects I created include client proposals, manifestos, internal brand campaigns, event collateral, and animated infographics.

### CoMotion Branding

Designer/Animator

*November 2016 - March 2017*

Contributed to the design and animation of the branding used for CoMotion 2017, the annual motion design conference at SCAD.

### McGraw-Hill Education

Motion Graphics Intern

*June 2016 - December 2016*

Worked in the Media Production & Acquisition Department to produce module launch videos. My responsibilities included video editing, motion graphics, audio recording and editing, and I even became an official voice-over talent.

### SCAD Radio

Video Production Manager

*February 2015 - June 2016*

Collaborated with the In-Studio Department to organize, produce, shoot, edit, and promote live band sessions and other content for SCAD's campus radio station.
